

# TABLE THROWS

---

Table Throws can enliven any old plain table being used to present, show, or market a product. Beyond the standard size tables, Indy Imaging can produce custom Table Throws for any size table out there. Our Table Throws are produced on polyester based heavy-knit fabric using your custom graphics. Graphics can be placed on all sides of the Table Throws or just on the front. Table Throws are ideal for your customers who are in the trade show or mobile marketing business. Simply unfold, and place on the table. Table Throws are a washable, easy-to-care-for product that will leave an upscale, lasting impression on the viewer.
