

STENCILS

**STENCIL AGAINST
A BRICK WALL**

**STENCIL PAINTED
OVER AGAINST
A BRICK WALL**

**PAINTED WALL
AFTER STENCIL
IS REMOVED**

Stencils are used for chalk and paint advertising on streets, sidewalks, parking lots, walls, and interior floors. Stencils are usually made for letters but can also be simple graphics. They can be made for repeated or one-time-use.

SUGGESTED APPLICATIONS

Painting Letters

Simple Graphics

Window Etching

On-the-Street Paint Ads

MATERIALS

- » Styrene
- » Standard PSV (one-time-use)
