

WARRANTY

WARRANTY ON BACKLIT BLOCKOUT POLYCARBONATE SIGN FACES:

Indy Imaging prints on Polycarbonate material for installation in backlit sign cabinets. The product is fully warranted (100% replacement) against defects in material and workmanship for 5 years from the date of the invoice.

Ink note: During normal use, inks are covered against cracking, peeling or chipping. A minimal amount of ink color fading over time can be expected due to UV exposure.

WARRANTY REMEDY:

If during the warranty period the material has failed to perform for reasons associated with the printing, Indy Imaging will replace The Backlit Blockout Polycarbonate Sign Faces 100% for 5 years from the date of the invoice. Material failure due to improper installation, display, storage, or act of God is not warranted. Material may not be returned to Indy Imaging for warranty consideration without prior written authorization in the form of a Return Merchandise Authorization (RMA). Collect shipments will be refused. Upon receipt, consort will immediately inspect the material and contact the customer within two (2) business days with the findings and a proposed plan of action. Labor to remove and/or reinstall material is not covered under this warranty.

Outdoor durability for the purpose of this warranty is defined as no appreciable deterioration in the product when viewed from its intended viewing distance. Cracking, blistering, peeling, delamination, or excessive color fade shall constitute a breach of warranty if it occurs in the warranty period. Slight color fading, chalking or slight reduction in gloss does not constitute a breach of warranty.
